OUR GUARANTEE

We give a 50% replacement on mortality guarantee. All retail sales are made subject to replace at ½ price on items failing to survive first growing season; if given reasonable care. This does not include planting of the replacement on planted orders, as a separate charge will be made on this also if our services are required.

We furnish general planting instructions with each purchase and have more detailed planting instructions on roses, fruit trees, raspberries, grapes and on orchard care and maintenance.

We would like to call attention to the fact that our stock has been inspected and certified free of insects and we urge you to read and follow instructions on spraying and keeping your nursery stock healthy.
